

CITIZENS' CHARTER

The Directorate of Geology & Mining was initially established as a Geology & Mining Cell under the Directorate of Industries in 1980. It was upgraded to 'Geology & Mining Wing' on 7th April 1986. Finally, it was upgraded to a full-fledged Directorate on 1st September 2010, as the Directorate of Geology & Mineral Resources, following its separation from the Directorate of Industries under the Commerce & Industries Department. On 17th February 2022, the Directorate was renamed as the Directorate of Geology & Mining, as per the Mizoram Gazette dated 18th February 2022 [Part-II(A)]. The Directorate of Geology & Mining, now functions under the Commerce, Industries, Geology & Mining Department, Gov't of Mizoram. The name of the Department was changed from Commerce & Industries Department to Commerce, Industries, Geology & Mining Department as per the Mizoram Gazette dt. 10.12.2025.

The primary functions of this Directorate encompass Geoscientific activities, Mining Engineering, Drilling & Laboratory operations, and Field Work. The Directorate has set up its Headquarter Office in Luangmual, Aizawl, the capital city of the State.

Name of the office	: Directorate of Geology & Mining
Full Address	: Luangmual, Aizawl, Mizoram – 796009
Phone/Fax	: 0389-2332154
Email ID	: director.dgm.mizoram@gmail.com
GPS Location	: N 23° 44' 17.9"
of the Office	E 92° 41' 23.1"

VISION

To promote scientific exploration, sustainable development and efficient management of the State's mineral resources through modern technology, good governance and environmentally responsible mining while ensuring public safety and disaster resilience.

MISSION

- a. Conduct surveys and mapping of mineral resources and groundwater to identify areas with the highest potential for sustainable development, thereby maximizing benefits for the population and increasing Government revenue.
- b. Administer the State's mineral resources by regulating them under the Mizoram Minor Minerals (Concession and Prevention of Illegal Mining) Rules, 2023. The District Mineral Foundation Rules of Mizoram, 2023 (as amended) is also enforced to implement the PMKKKY Scheme for rehabilitation of mine affected areas and people while providing technical support to private entrepreneurs.
- c. Identify geologically stable and safe areas for the establishment of developmental activities, and enhance the existing system through revaluation, systematic studies, and necessary recommendations.
- d. To promote systematic mineral exploration, scientific mining, digital monitoring and sustainable utilization of mineral resources in accordance with the Mizoram State Minor Mineral Policy, 2025.
- e. To facilitate implementation of the Mizoram State Mineral Exploration Trust Rules 2025 for strengthening mineral exploration and geoscientific investigations within the State.

LEGISLATIVE AND POLICY DEVELOPMENTS

During the year, the Government of Mizoram notified the following important legislative and policy instruments to strengthen the scientific exploration, sustainable development and effective governance of the State's mineral resources:

1. The Mizoram State Mineral Exploration Trust Rules, 2025

The Government of Mizoram notified the Mizoram State Mineral Exploration Trust (SMET) Rules, 2025 to establish a dedicated institutional mechanism for the systematic exploration and planned development of the State's minor mineral resources. The Rules provide for the constitution of a Governing Body and an Executive Committee, and the establishment of the Mizoram State Mineral Exploration Trust Fund.

To finance exploration activities, every holder of a Mining Lease or Mining Permit is required to contribute 2% of the royalty paid, while in cases of illegal mining, transportation or storage of minor minerals, a contribution equivalent to 2% of the fine imposed is also payable. The Trust aims to strengthen mineral exploration, geological investigations, research and development, laboratory infrastructure, capacity building, and the adoption of modern technologies for sustainable mineral development.

2. The District Mineral Foundation (Amendment) Rules, 2025

The District Mineral Foundation (Amendment) Rules, 2025 were notified to strengthen the governance, transparency and implementation of the District Mineral Foundation (DMF) in Mizoram. The amendments introduce significant changes relating to the composition and functioning of the Governing Council, transparency and accountability, utilization of DMF funds, and procurement procedures. They also require offenders involved in illegal mining, transportation or storage of minerals to contribute 10% of the fine imposed to the District Mineral Foundation in addition to the prescribed penalties. The amendments reinforce the efficient utilization of DMF funds for the welfare and socio-economic development of mining-affected areas in accordance with the Pradhan Mantri Khanij Kshetra Kalyan Yojana (PMKKKY).

3. Mizoram State Minor Mineral Policy, 2025

The Government of Mizoram also notified the Mizoram State Minor Mineral Policy, 2025 to provide a comprehensive framework for the scientific, sustainable and environmentally responsible development of the State's minor mineral resources. The Policy promotes systematic mineral exploration, scientific mining, mineral conservation and optimum utilization of mineral resources while ensuring environmental protection. It also emphasizes the adoption of modern technologies, e-governance, GIS-based resource mapping, digital monitoring of mining activities, prevention of illegal mining, and strengthening institutional

capacity within the Directorate of Geology & Mining. The Policy further seeks to improve mineral resource management, enhance revenue generation through regulated mining, and ensure that mineral development contributes to the long-term economic growth and sustainable development of Mizoram. The Policy also aims to envisage and promote Inter-generational Equity and Zero-waste mining with sustainable development in mining.

FUNCTIONS

1. Administers the Mizoram Minor Minerals (Concession and Prevention of Illegal Mining) Rules, 2023, the District Mineral Foundation Rules of Mizoram, 2023 as amended by the District Mineral Foundation (Amendment) Rules, 2025, and facilitates implementation of the Mizoram State Mineral Exploration Trust Rules, 2025.
 - a) Minor Mineral Investigations and Development
 - b) Minerals Exploration and Mapping.
2. Scientific and Technical activities including.
 - a) Geotechnical Investigations
 - b) Landslides Engineering and Disasters
 - c) Seismology and Earthquake Engineering
 - d) Ground Water Investigation, Development and Monitoring
 - e) Laboratory services
3. Oil & Natural Gas Exploration– Monitor, assist and liaison with the Oil & Gas exploration companies working in the State governed by Ministry of Petroleum & Natural Gas (MoPNG) and Directorate General of Hydrocarbons (DGH), Gov't of India and to harness the potential for the socio-economic development of the State.
4. Coal Exploration - To start Regional (Promotional) Coal Exploration in Mizoram with Central Mine Planning & Design Institute Ltd. (CMPDIL) through Central Sector Scheme (CSS) of 100% funding from Ministry of Coal (MoC), Gov't of India.

CHAPTER 2

The Secretary to the Government of Mizoram, Commerce & Industries Department, serves as the Administrative Head of the Department, while the Director of Geology & Mining holds the position of Executive Head of the Directorate. The Director's office is situated at Luangmual, Aizawl, approximately 6 km from the heart of the city. There is one Zonal Geology & Mining Office in Lunglei established since 18th October 2024 to look after 4 southern districts of the State viz. Lunglei, Lawngtlai, Siaha and Hnahtial currently overseen by one Assistant Controller of Mines and two Junior Technical Assistants. There are 10 Permanent Check Gates and 13 Mobile Check Gates located across various parts of the State. To enhance mining activities and mine safety, including the granting of mineral concessions and royalty collection, the establishment of other Zonal/District Offices is crucial. Besides establishment of Zonal Geology & Mining office for Southern Zone at Lunglei, the General Administration Department (GAD) has granted creation of 3 (three) more Zonal Offices at Champhai, Aizawl and Kolasib Districts for Eastern Zone, Central Zone and North-Western Zone respectively vide ID No.D-11013/3/2026-GAD dated 23.3.2026. The Directorate is staffed with the sanctioned posts provided in a tabular form in page 22.

Services Rendered by the Department

1. Explore mineral resources, provide suitable and sustainable means of exploration and safer and judicious extraction for commercial uses to stakeholders.
2. Regulate and administer the mineral wealth of the State using the the Mizoram Minor Minerals (Concession and Prevention of Illegal Mining) Rules, 2023 and the Mines & Minerals (Development & Regulation) Act, 1957.
 - a) Conducting Pre Feasibility Study for grant of Mining Leases/ Permits.
 - b) Grant of Mining Leases and Mining Permits.

- c) Preparation of Mining Plan, Mine Closure Plan, Scheme of Mining and Blast Design for use of explosive in mines etc.
 - d) Preparation of Blast Design for road construction agencies within the State
 - e) Preparation of rock breaking powder (eg., crackamite) usage design.
 - f) Environmental Impact assessment on mineral exploitations.
 - g) Quality assessment and control.
 - h) Improvement of quality output and safety assurance for sustainable development in mining.
 - i) GIS-based mineral resource mapping.
 - j) Digital monitoring of mineral transportation.
 - k) Maintenance of mineral databases.
3. Facilitation of systematic mineral exploration through implementation of the Mizoram State Mineral Exploration Trust.
 4. Coordinating, assisting, and monitoring the activities of various Oil & Gas Exploration companies operating in Mizoram, along with conducting regular review meetings to assess their progress.
 5. Conducting slope stability studies and investigations.
 6. Analyzing geotechnical parameters of rocks and soil to ensure the quality control of building materials.
 7. Performing geotechnical investigations for dams, bridges, buildings, and other foundation sites.
 8. Investigating house site stability, as requested by user departments and private parties, to ensure safer residential construction.
 9. Exploring and mapping potential sites for groundwater development.
 10. Analyzing water (both surface and groundwater) to assess its safety for drinking and domestic use.

11. Monitoring and evaluating contamination levels and health hazards associated with groundwater.
12. Conducting microseismic lifeline studies.
13. Promoting public awareness and preparedness for earthquake disasters.
14. Laboratory testing and analytical services for rocks, minerals, soils, aggregates, coal, water and other geological materials, including chemical, petrological, mineralogical and geotechnical analyses on payment of prescribed charges.
15. Coal Exploration has been started for the first time in Mizoram under 100% Central Gov't funding from Ministry of Coal (MoC).

Boards/Committees Constituted under the Department

1. State Geological Programming Board (SGPB):

The Mizoram State Geological Programming Board was established under the chairmanship of the Secretary of the Geology & Mining Department, with the goal of streamlining the annual work programs of the Department and various organizations, including GSI, IBM, MECL, Atomic Mineral Division, Central Ground Water Board, CWC, ONGC, OIL, and others, for their respective activities in Mizoram. The Board includes the following members: -

1. Principal Secretary/Commissioner & Secretary to the Govt. of Mizoram, Commerce & Industries Department/Geology & Mining
- Chairman
2. Commissioner/Secretary to the Govt. of Mizoram, Finance Department
- Member
3. Deputy Director General, NER, GSI: SU TM, Tripura
hod.ner@gsi.gov.in
- Member

4. Regional Controller of Mines, Indian Bureau of Mines (IBM), Guwahati, Regional Office, 5th Floor, East-End Building, HOUSEFED Complex, Post: Assam Sachivalaya, Dispur, Kamrup District, Assam, ro.guwahati@ibm.gov.in
- Member
5. Principal Chief Conservator of Forest, Environment, Forest and Climate Change Department, Govt. of Mizoram - 2325727
- Member
6. Engineer-in-Chief, Public Works Department, Government of Mizoram - 2322176
- Member
7. Engineer-in-Chief, Public Health Engineering Dept., Government of Mizoram - 2322244
- Member
8. Principal Adviser-cum-Ex-Officio Addl. Secretary, State Planning Board, Planning Department, Government of Mizoram - 2300105
- Member
9. Chief Engineer, Pushpak Project, Zemabawk, Mizoram - 2350292
- Member
10. Director & HoD, GSI, Tripura, Mizoram Circle, 79- Tilla Kunjaban, Agartala - 799 006, 0381-2353006/gsisutmagartala@gmail.com
- Member
11. Director, Land Revenue & Settlement Department, Government of Mizoram - 2322469
- Member
12. Head of Department, Department of Geology, Mizoram University
- Member

13. The Mayor, Aizawl Municipal Corporation, Government of Mizoram.
 - Member
14. Joint Director of Country Planning, UD & PA Department, Government of Mizoram
 - Member
15. All District Deputy Commissioner within Mizoram
 - Member
16. Director, Disaster Management & Rehabilitation Department, Govt. of Mizoram
 - Member
17. Director, Geology & Mining, Mizoram
 - Member Secretary

Special Invitees: -

1. Head of Department, Department of Geology, Pachhunga University College, Aizawl, Mizoram
2. ONGC Ltd.
3. Oil India Limited

2. Coordination Committee on Oil & Gas Exploration in Mizoram:

The Government of Mizoram established the Coordination Committee, comprising the following members, to monitor, review, and assess the progress of activities conducted by Hydrocarbon Exploration Agencies, evaluate their achievements, and address any difficulties or local issues that may arise (as per Memo No. B. 19011/67/2010-IND dated 25th February, 2010). The Committee includes the following members: -

1. Principal Secretary/Commissioner, Industries & Mines
 - Chairman
2. Secretary, Home Department
 - Member

3. E-in-C (PWD) or his representative not below the rank of S.E.
 - Member
4. E-in-C (PHE) or his representative not below the rank of S.E.
 - Member
5. E-in-C (P&E) or his representative not below the rank of S.E.
 - Member
6. Principal Chief Conservator of Forest (PCCF)
 - Member
7. Director, Industries Department, Govt. of Mizoram
 - Member
8. Director, Land Revenue & Settlement, Govt. of Mizoram
 - Member
9. Director, Geology & Mining, Mizoram
 - Member Secretary

3. High Power Monitoring Committee on Oil & Gas Exploration in Mizoram:

The High Power Monitoring Committee on Oil Exploration in Mizoram was established (as per Memo No. G. 28014/18/2011-PLG dated 27th February 2012) with the following objectives: -

- To monitor the activities of Oil & Natural Gas Exploration agencies in Mizoram, assess their programs, identify challenges faced by the agencies, and evaluate their achievements.
- To develop a plan or policy for the oil exploration system in the state.
- To coordinate with exploration agencies and relevant state government departments.
- To ensure that exploration agencies adopt an eco-friendly approach in their oil exploration and drilling activities.

The Committee consists of the following members: -

1. Chief Secretary
 - Chairman
2. Member Secretary/Principal adviser; State Planning Board, Mizoram.
 - Member Secretary
3. Commissioner/Secretary, P & PI
 - Member
4. Commissioner/Secretary, Commerce & Industries Department
 - Member
5. PCCF, Environment & Forest and Climate change
 - Member
6. Secretary, Taxation
 - Member
7. Director, Commerce & Industries Department
 - Member
8. Director, Land Revenue & Settlement
 - Member
9. Director, Geology & Mining
 - Member
10. Chairman, Mizoram Pollution Control Board
 - Member
11. Deputy Commissioner; Aizawl District
 - Member
12. Superintendent of Police
 - Member
13. Representative of concerned Exploratory Companies
 - Member

4. State Level Co-ordination-cum-Empowered Committee:

This committee was established (as per Memo No.B.19011/76/05-IND dt. 13th June, 2011) to monitor and reduce delays in the approval process for Mineral Concessions. The committee consists of the following members: -

1. Chief Secretary
- Chairman
2. Commissioner/Secretary, Commerce & Industries Department
- Member
3. Commissioner, Customs (Prev), Shillong
- Member
4. Secretary/PCCF, Govt. of Mizoram or his representative
- Member
5. Secretary, LR & S Department, Mizoram
- Member
6. Joint Secretary/Deputy Secretary, Law & Judicial Department
- Member
7. Joint Director, Geology & Mining
- Member
8. Director, L & E Department, Mizoram
- Member
9. Director, Geology & Mining, Mizoram
- Member Secretary

5. Crisis Management Group:

This Group was constituted as per Memo No.16/80/2009-M-VI dated 1st October 2013, comprising the following members, to address all mining accidents deemed serious enough to be escalated to the State level:

1. Chairman
- Principal Secretary/Secretary, Geology & Mining/
Industries Deptt.
2. Member/Nodal officer
- Director, Geology & Mining

3. Member
 - a) Joint Secretary, Home Department, Mizoram
 - b) Director, Fire & Emergency Services, Mizoram
 - c) Director, Disaster Management & Rehabilitation, Mizoram
 - d) Director, Health Services, Mizoram

6. State Level Task Force:

The State Level Task Force was constituted as per Memo No. B.19011/45/2012-IND dated 18th March 2014 to address and prevent illegal mining within the State of Mizoram: -

1. Chairman
 - Principal Secretary/ Secretary, Geology & Mining/ Industries Deptt.
2. Member Secretary
 - Director, Geology & Mining
3. Member
 - a) Chief Engineer Highway Division, PWD, or his representative
 - b) Director, Disaster Management & Rehabilitation
 - c) Chief Conservator of Forest, Environment & Forest or his representative
 - d) Joint Secretary, Home Deptt. or his representative
 - e) Director, Land Revenue & Settlement Deptt. or his representative
 - f) Deputy Secretary, Law & Judicial Deptt. or his representative

7. Enforcement Teams:

Two (2) Enforcement Teams have been re-constituted within the Directorate of Geology & Mining, Mizoram, as per Memo No. D.31016/2/2024/ENT-DGM dated 20th June 2024, to prevent

illegal mining and transportation, penalize illegal miners, and promote scientific mining practices to enhance productivity and safety. The Enforcement Teams consist of the following officers: -

Team A:

1. Er. Lalthankima, Assistant Controller of Mines (Leader)
2. Lallianthuama, Deputy Director (D/L)
3. Zoremsanga, Geologist

Team B:

1. Malsawmdawngliana, Geologist (Leader)
2. Vanlalthlanga, Deputy Controller of Mines
3. Er. Lalnunsiana Fanai, Assistant Controller of Mines

Stake-holder/Clients:

A. Within the State Government :

- 1) Deptt. of Disaster Management & Rehabilitation
- 2) Deptt. of Environment, Forest & Climate Change
- 3) Public Works Department
- 4) Power & Electricity Department
- 5) Public Health Engineering Deptt.
- 6) Land Revenue & Settlement Deptt.
- 7) State Pollution Control Board.
- 8) Commerce & Industries Deptt.
- 9) DDMA/Dy. Commissioner of All District in the State
- 10) Aizawl Municipal Corporation (AMC)
- 10) Lunglei Municipal Council (LMC)

B. Outside the State Government :

- 1) Ministry of Mines, (MoM) Govt. of India
- 2) Geological Survey of India (GSI)

- 3) Indian Bureau of Mines (IBM)
- 4) Mineral Exploration and Consultancy Limited (MECL)
- 5) Ministry of Petroleum & Natural Gas (MoPNG) Govt. of India
- 6) Director General of Hydrocarbons (DGH), Govt of India
- 7) Ministry of Coal Govt. of India
- 8) Central Mine Planning & Design Institute Ltd. (CMPDIL)
- 9) Central Ground Water Board (CGWB)
- 10) Mineral Exploration Corporation Ltd. (MECL)
- 11) North East Institute of Science & Technology (NEIST)
- 12) Oil & Natural Gas Corporation Ltd. (ONGC) & their associate companies
- 13) Oil India Ltd. (OIL) & their associates
- 14) Vedanta Ltd. & their associates
- 15) Central Water Commission (CWC)
- 16) Director General of Hydrocarbon, Govt. of India
- 17) Directorate General of Mines Safety (DGMS)
- 18) Indian Meteorological Department (IMD)
- 19) Central Road Research Institute (CRRI)
- 20) Central Institute of Mining and Fuel Research (CIMFR)
- 21) National Disaster Management Authorities (NDMA)
- 22) Department of Science & Technology, Shillong.
- 23) Central Soil & Material Research Institute (CSMRI)
- 24) National Institute of Rocks Mechanics (NIRM)
- 25) Central Building Research Institute (CBRI)

Nodal Officers within the Department :**1. Right to Information:**

SPIO : Malsawmdawnglina, Geologist 9436195716

SAPIO : Zoremsanga, Geologist 8132840811

2. Disaster Management:

Benjamin Roluahpuia, Geologist 8575461639

3. Legal Matters:

Er. Lalthankima, Assistant Controller of Mines 8290377635

4. RFD Co-ordinator & Kai App:

Zoremsanga, Geologist 9089149729

5. Citizen Charter & Annual Reports:

C. Malsawmkima, Geologist 8132813799

6. Public Grievances:

Vanlalthlanga, Deputy Controller of Mines 8416048298

7. ICT Dept. of Govt. of Mizoram:

Malsawmdawnglina, Geologist 8132840811

8. Mine Disasters:

Lallianthuama, Deputy Director (D/L) 9862357782

9. Right to Public Services:

Er. Lalremmawia, Joint Director 9862331608

10. Vigilance Officer:

Er. Lalremmawia, Joint Director 9436360380

SERVICE DELIVERY BY THE DEPARTMENT WITH RESPONSIBLE OFFICER(S)					
Sl. No.	Name of Service	Process involved/followed	Name & Designation of Officer-in-charge	Officer Contact No. & e-mail id	Time taken for individual steps
1		1. House sites stability investigation – as required by user departments and private parties to assure safer house construction.			
	Geotechnical Investigation	2. Slope stability studies and investigations. 3. Geotechnical investigation for Dam sites, bridges, buildings and other foundations including Core drilling.	Benjamin Roluapua Geologist	8575461639 benjaminhauhar@gmail.com	
		4. Analyses of Geotechnical Parameters of rocks/soil to assure quality control of building sites.			
2	Landslide Engineering & Disaster	1. Landslide Disaster evaluation, investigation and mitigation.	Benjamin Roluapua Geologist	8575461639 benjaminhauhar@gmail.com	
3	Seismology & Earthquake Engineering	1. Micro Seismic Lifetime study 2. Create public awareness and prepared for earthquake safety	Benjamin Roluapua Geologist	8575461639 benjaminhauhar@gmail.com	
4	Mineral Exploration and Mapping	1. Preliminary or detailed geological investigation conducted including reserve estimation of the minerals. 2. To study and conduct exploration of mineral deposits in the State.	Malsawndawngiana Geologist	8132840811	

5	Mineral Investigation & Development.	1. Pre-feasibility study of applied Mining /Permit sites and sand deposits, Inspection of stone quarries	Malsawndawnglana Geologist	8132840811	
		2. Pre-feasibility study of applied Mining Lease/Permit sites and sand deposits, Inspection of stone quarries, Mining Plan including Scheme of Mining, Blast Design, Progressive & Final Mine Closure Plan, Crackamite Usage design etc.	Er. Lalthaakima Assistant Controller of Mines	8290377635 tkachhangce@gmail.com	
		3. Quarterly Monitoring of Minor Minerals for 11 Districts in Mizoram.	All Officers under MMI & Dev. Section		
		4. Enforcement activity for curbing illegality in Minor Minerals exploitation & transportation.	Malsawndawnglana Geologist Er. Lalthaakima Assistant Controller of Mines	8132840811 8290377635 tkachhangce@gmail.com	
		5. Collection of royalty from Minor Minerals	Vanlalthlanga Deputy Controller of Mines	8416048298	
6	Groundwater Investigation & Development	1. Exploration and mapping of potential sites for ground water development.			
		2. Analyses of water (surface & ground water) to determine safe drinking and domestic uses.	Malsawndawnglana Geologist	8132840811	
		3. Monitor and evaluates contamination and health hazard of ground water.
